WARRANT

STATE OF NEW HAMPSHIRE

The Polls will be open from 10:00 A.M. to 6:00 P.M.

To the Inhabitants of the Town of Clarksville in the County of Coos, in said State, qualified to vote in Town affairs:

You are notified to meet in the Town Hall in said Town of Clarksville on Tuesday, the 13th day of March next, at eight o'clock in the evening to act upon the following subjects:

1. To bring in your ballots for the election of Town Officers for the ensuing year.

2. To bring in your ballots to see if the Town will vote to combine the offices of Town Clerk and Tax Collector and have the term of office to be for three years, to take effect at the next annual Town Meeting.

3. To act upon all of the following articles contained in this warrant.

4. To see what sum of money the Town will vote to raise and appropriate for General Government for the ensuing year.

5. To see what sum of money the Town will vote to raise and appropriate for the protection of persons and property.

6. To see what sum of money the Town will vote to raise and appropriate for health and sanitation.

7. To see what action the Town will take in regards to plowing driveways.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of Summer and Winter highways.

9. To see what sum of money the Town will vote to raise and appropriate for General Expenses of the Highway Department and for chloride.

10. To see if the town will vote to raise and appropriate the sum of $2,070.20 for construction and reconstruction of Class IV and V Highways. Said sum to be received in whole or in part from the State as additional highway subsidy under RSA 241:15.

11. To see if the Town will vote to raise and appropriate the sum of $2,203.79, for T.R.A., the Town's share being $287.45, the balance $1,916.34 to be reimbursed by the State.

12. To see if the Town will vote to raise and appropriate the sum of $600.00 for Chapter V Maintenance, Duncan Fund, the same to be received in whole or in part from the state.

13. To see if the Town will authorize the Selectmen to borrow what sums of money as may be necessary to defray Town Charges for the ensuing year in anticipation of taxes.

14. To see if the Town will vote to raise and appropriate the sum of $400.00 for interest on Short Term Loans.

15. To see if the Town will vote to raise and appropriate the sum of $500.00 for cemetery Maintenance.

16. To see if the Town will vote to raise and appropriate the sum of $194.00 for the North Country Council.

17. To see if the Town will vote to raise and appropriate the sum of $200.00 for damages and legal expenses.

18. To see if the Town will vote to release the previous committed sums of $1,068.00 which was appropriated from Revenue Sharing Funds in 1974, but was never withdrawn from the Revenue Sharing Account and to have said sum available for other purposes.

19. To see if the Town will appropriate the sum of $3,850.00 to pay for the balance due on the contract for the Tax Map and authorize the withdrawal of same from Revenue Sharing funds under the provisions of the State and Local Assistance Act of 1972.

20. To see if the Town will vote to appropriate the sum of $3,000.00 towards the reappraisal of Town property and authorize the withdrawal of the same from the Revenue Sharing Funds under the provisions of the State and Local Assistance Act of 1972 and to take any other action in regards to this article.

21. To see if the Town will vote the Tax Collector permission to appoint a Deputy Tax Collector to be approved by the Selectmen.

22. To see if the Town will vote to raise the salary of the Town Treasurer to $250.00 per year.

23. To see if the Town will vote to take over the road described in the Subdivision owned by Richard and Barbara Howland of Pittsburg, N. H. (By Petition)

24. To transact any other business which may legally come before this meeting.

Given under our hands and seal this 21st day of February, in the year of our Lord, Nineteen hundred and seventy-nine.

WILLIAM B. FULLER, JR.
DONALD McKINNON, SR.
LESLIE W. BEAL

PROCEEDINGS OF SCHOOL DISTRICT MEETING

MARCH 13, 1978

The School District of Clarksville
County of Coos
State of New Hampshire

A legal meeting of the inhabitants of the School District of Clarksville, New Hampshire was held at the town hall on March 13, 1978.

The warrant was read at 8 P.M.

ARTICLE 1. It was motioned by Donald McKinnon to leave the school officers salaries the same as they have been. It was seconded by Bertina Bachelder. Vote: 13 yes, 0 No.

ARTICLE 2. There were no agent, auditor or committee reports.

ARTICLE 3. It was explained by Bertrand Mongeau that the $13,985.12 asked for in this article was to cover deficit payments of previous years. It was motioned by William Fuller, Jr. to raise $13,985.12. The motion was seconded by Lester Beal. Vote: 10 yes, 0 no.

ARTICLE 4. William Fuller made a motion to authorize the school to make application for and accept on behalf of the district all grants and offers for educational purposes. Seconded by Donald McKinnon. Vote: 12 yes, 0 no.

ARTICLE 5. It was motioned by Marjorie Chappell to accept the budget as printed. The motion was seconded by Bertina Bachelder. Vote: 11 yes, 0 no.

ARTICLE 6. Other business: Anton Schanz mentioned that he had information on the RIF program and would be available to answer questions after the meeting.

A motion was made by Jimmy Ricker to adjourn the meeting. The motion was seconded by Les Beal. Vote: 13 yes, 0 no.

The meeting adjourned at 8:40 P.M.

Respectfully submitted,

KATHY KEEZER
School Clerk

1979 – 1980

SUPERINTENDENT'S REPORT

This past year the State Board of Education adopted a plan outlining the responsibilities of local school districts in establishing an educational accountability program. Included in that program must be steps through which local school districts intend to measure basic pupil skills in the areas of Language Arts, Mathematics, History and Government in grades 4, 8 and 12. In addition, all local plans must be completed and on file with the State Department of Education by June, 1981.

I am pleased to report that the school districts in Supervisory Union No. 7 are well along the way in establishing such an accountability program. This has been accomplished primarily through the efforts of our teachers in each of the local school districts who began the process four years ago. To date, basic skills and competencies have been developed for all grades, 1-12, in the areas of Language Arts and Mathematics. It is planned to have the areas of History and Government completed by September, 1979.

A most important part of the local accountability program is an assessment process whereby it can be determined if pupils are learning basic skills and are able to demonstrate that they have mastered these skills. A summary of testing data compiled for the last four years for grades 1-8 does indicate that pupils in our local schools are indeed learning basic skills. When compared to other pupils on a national level, the majority of local pupils have scored at or above their respective grade levels. Skills measured in the tests used were reading comprehension, spelling, vocabulary, language, math concepts, math computations, math problem solving, social studies and science. Although an in depth analysis of testing data for grades 9-12 has not yet been completed, a preliminary study indicates that pupils in those grades are comparing well with other pupils on a national level.

Although the testing data is indeed encouraging for the majority of our pupils, attention has to be given to that percentage of pupils who consistently score below grade level due to their lack of mastery of certain basic skills or because of learning disabilities. Also, it is vital that special attention be given to that small group of gifted pupils who consistently score higher than their respective grade levels. Title I remedial programs, classroom teacher aides, special education programs, along with individualized classroom teacher attention, have done much to help pupils with

learning difficulties.

An increasing problem, however, is the allocation of classroom time a teacher can devote to individualized instruction and still present regular learning programs. This problem is further compounded by the concept of "mainstreaming" whereby educationally and emotionally handicapped pupils are no longer confined to special education classrooms for the entire school day but are returned to regular classrooms under an Individualized Education Plan. Here again classroom teachersaides are helping to alleviate this problem to some degree particularly in those grades with large pupil enrollments. Much remains to be done, however, in the area of providing special individualized instructional materials and resources to the classroom teacher if we are to meet the needs of all handicapped youngsters and still maintain and improve regular education programs.

I extend my thanks to the educational staff in our local schools for their cooperation and excellent performance in working toward and achieving the educational goals of the school districts and to the members of the local School Boards for their dedicated service.

Respectfully submitted,

STEPHEN E. DEHL
Superintendent of Schools

GUIDANCE COUNSELOR'S REPORT

The bulk of the Guidance Officer's time this past year was devoted to the areas of: career education in grades 2, 4 and 8; developing a system of parental interviews to assist in 9th grade enrollments; and implementation of PL94-142.

Having been awarded a grant under Title IV (C), teachers in the 2nd, 4th and 8th grades have been busy writing a curriculum of career education. The Guidance Counselor has been designated as the Project Director and serves as a liason between the school boards and the executive and advisory committees. The career program has adopted the title of "Project Choice", which stands for Challenging Habitudes by providing Opportunities and Interest in Career Education. The basic premise of this project is to attempt to provide each student with a greater and fuller background of career information and choices before they choose their high school courses of study.

This last year all parents of the Colebrook Elementary Eighth Grade were afforded the opportunity to have a conference with the Guidance Counselor to discuss the courses of studies their children would be selecting for the next year. The conferences were scheduled both during the school day and at night so as to make it easier for the parent who works to participate in this program. It is hoped that this program will be broadened to include Pittsburg and Stewartstown this coming year.

Finally, the recent trend of the high school graduates within Supervisory Union 7 favoring the choice of technical schools over liberal arts colleges or four-year colleges seemingly continues. A close inspection of the graduates of Colebrook Academy and Pittsburg High School would disclose that between 5% and 8% went to four-year colleges, 12% to 14% to technical schools, 5% to nursing schools, 4% to 10% to business schools, 4% to beauty schools, and 15% to 20% to the armed forces. This still leaves between 50% and 61% of the graduating classes entering the world of work.

Respectfully submitted,

OLIVER B. MARTINS
Guidance Counselor
Supervisory Union No. 7

SCHOOL HEALTH REPORT

In both Stewartstown and Pittsburg the health programs are planned to maintain the highest of health standards as required by the State of New Hampshire. These programs greatly depend upon the support and interest of all parents. Parent concern and cooperation is immensely appreciated and always encouraged.

This year Dr. Marjorie Parsons and Dr. William Gifford have again provided us with medical care and their professional advice for our students.

Through the combined efforts of our health team, the following services were again performed:

1. Height, weight and dental check
2. Hearing and vision testing
3. Thorough physical examinations as standard requirements for grades 4, 8, 11 and new students as well as all students participating in athletics
4. Tuberculin testing as needed for students
5. Immunization Clinics to update students' health records to state requirements
6. Urine testing for students in grades 4, 8, 11
7. Scoliosis (curvature of the spine) screening clinics for grades 5, 6, and 7
8. First Aid and Emergency care
9. Phone and letter contacts for follow-ups on health care and health care problems
10. Home visits
11. Encouragement and aid in promoting good mental health
12. Health instruction and counseling and supervision of general health.

The North Country Education Service provides speech therapy to students needing assistance with speech/hearing related problems.

The New Hampshire Division of Public Health will sponsor a pre-school hearing and vision clinic in mid-May for early detection of visual/hearing problems.

Still in force is the Sight Conservation Program provided by the State of New Hampshire. They help students receive vision examinations and glasses where financial assistance is needed.

Crippled Children's Services provide orthopedic examinations and treatments at clinics for all our students.

The New Hampshire Bureau of Dental Health has once again presented their Dental Disease Prevention Program to our schools. In their program, for students in grades 1-6, there is first examination by a state dental hygienist and instruction in proper brushing techniques and also flossing for grades 4-6. The students carry out daily brushing and flossing under teacher supervision. There is weekly use of red food coloring tablets to detect plaque and use of a fluoride rinse once a week. The purpose of this program is to develop good oral hygiene habits and to eliminate plaque, therefore, reducing dental disease.

The Portsmouth Rehabilitation Center is available to our area by mobile unit for evaluation of students having failed hearing screening at school.

Upper Connecticut Valley Mental Health Services provide their professional services for students needing help.

Our students received a nutrition course sponsored by the Extension Program which was highly informative and interestingly presented.

A reminder to all parents of children who will be entering first grade. Please note the requirements of the State Department of Education for immunization and preparation of your child prior to entry. Your child could be refused entry in school until the necessary requirements are fulfilled if he or she should lack some of them. Therefore, we strongly urge all parents to take advantage of pre-school clinics available to them to prepare their children for school entry. The requirements are as follows:

1. Physical examination
2. Tuberculin test within one year prior to school entry
3. Diphtheria, pertussis and tetanus vaccine series (4 needed as minimum for entrance)
4. Oral polio vaccine series (4 needed for entrance)
5. Rubella (German Measles) vaccine
6. Rubeola (Measles) vaccine.

Only with parental involvement to enhance school health team efforts may our health programs work and improve each year. This combined working together for school health programs is the only key to its being successful and productive for our students.

Respectfully submitted,
KATHLEEN B. FELLOWS, L.P.N.
School Nurse

PITTSBURG - CLARKSVILLE TITLE I PROGRAM

The Pittsburg-Clarksville Title I program is a federally funded project designed to provide special help for children in the following areas: (1) remedial reading in grades one through three; (2) a pre-school program that provides (a) reading readiness, (b) pre-school math skills, and (c) early development of social skills.

A needs assessment conducted in 1978 called for a pre-school program and help in reading, especially in grades 1-3. The results of the needs assessment were tabulated by the principal and the Parent Council, and included in the Title I application in May.

A national standardized test, given in the fall and in the spring, determines a child's eligibility for the program.

Children who are eligible for help in grades 1-3 meet with the Title I teacher for special help in reading for one hour, for each grade, each school day. The lesson, previously taught, is reinforced by the Title I teacher. Emphasis is placed on phonics, comprehension, vocabulary and spelling. Correct usage of the English language is stressed in all oral and written learning situations.

The Title I teacher spends each afternoon of each school day in individual homes with pre-school children where pre-school skills are taught. There are group meetings for pre-schoolers, twice each week, in the Title I classroom at the Pittsburg School. At that time, activities are designed to help pre-schoolers develop confidence, social skills, and self-discipline. The children learn to correctly use and share school materials. Music and dramatizations are part of their program. A Title I library and library nook are part of the Title I room. Pre-schoolers have stories read to them and they are encouraged to become interested in books.

A "May Presentation" finished last year's program. At that time, diplomas were awarded to pre-schoolers and certificates of merit to Title I children in grades 1-3. Eighty-five parents, friends, and teachers attended the "May Presentation". A similar program will be held in May, 1979.

A field trip to Fantasy Farm in June concluded the program. Many mothers helped chaperone the trip. A field trip will conclude 1979's program also.

The projected gain of 7NCE's was obtained by 96% of the children participating in the project with much higher gains by some children.

On December 7th, the Pittsburg-Clarksville Title I conducted a workshop at the statewide Title I meeting in Laconia. Miss Kinney did the presentation "A Pre-School Program in a Rural Community". It was well received and a commendation was received from the Title I coordinators at Concord. Special thanks go to Elizabeth vonDohrmann, Chairperson, and Laurel Amey and Louis Lemieux, Title I Parent Council, who gave help and made suggestions that aided in the success of that workshop presentation.

In 1977 and 1978 Title I children, with the first and second grades, journeyed to the Coos County Nursing Home for a program of Christmas songs and carols. Title I pre-school children performed at the school Christmas program in 1977 and 1978.

Cooperation from teachers in grades 1-3 has helped to make a well coordinated reading program. Parent involvement and the help of the Parent Council has helped greatly with the success of the pre-school program. Miss Elaine Kinney, a certified Title I teacher, has worked conscientiously for the program. Thank you all.

Respectfully submitted,

KATE LORD, Project Director
Title I ESEA Program

FINANCIAL REPORT

1977 – 1978

RECEIPTS

Revenue From Local Sources:		
Current Appropriation	$79,405.30	
Filing Fee	1.00
